Oral purchase orders will be accepted by Seller upon Buyer's acceptance of Seller's written Order Acknowledgment. Seller's Order Acknowledgments are considered accepted by Buyer either through written confirmation from the Buyer or after 72 hours. Buyer's submission of a purchase order in response to any quotation including these terms and conditions shall be deemed acceptance of these terms and conditions to the exclusion of any other terms and condition appearing in such purchase order. Seller's acknowledgement of Buyer's purchase order is expressly made conditional upon Buyer's assent to these terms and conditions, which assent shall be presumed conclusively from Buyer's failure to reasonably object in writing or from Buyer's acceptance of any or all of the products ordered.

### Scheduling of Shipments

Buyer may request in its order that products be shipped according to a specific shipping schedule, but Buyer may not request that products be shipped later than twelve (12) months after the date of order. Seller will schedule shipments based on Buyer's request and Seller's shipping capability at the time Buyer's order is accepted. Upon such acceptance, Seller will issue an Order Acknowledgement, which will indicate the estimated shipping dates. Buyer is responsible for timely submission of applicable drawings and specifications to enable Seller to commence manufacture within the specified production schedule.

### Rescheduling

Buyer may not cancel or postpone a scheduled shipment of products unless Buyer submits its request in writing and Seller consents by issuing a new formal Order Acknowledgement. Delivery for all domestic shipments shall be FCA Chengdu and all International shipments Ex Works Chengdu. In the absence of specific written instructions from the Buyer, Seller will select the carrier, but Seller shall not thereby assume any liability in connection with the shipment.
